 Economics Club $4\frac{1}{2}$ years.

CLASS POEM

"Three years ago we entered here
 With minds and hearts aglow;
 The object upmost in our souls
 Was more of truth to know.

From many sections of our land
 We came with one high aim;
 To get the message in our hearts,
 Then carry forth the same .

Our hardships have been manifold,
 Our disappointments vast,
 But through a faith invincible,
 We've reached this height at last.

This height but marks the starting point,
 The conflict is ahead;
 With faith and courage, forth we go,
 With an advancing tread.

A rare and sincere brotherhood,
 Is cherished by us all;
 When grief or sorrow touches one,
 We quickly heed the call.

This friendship should throughout the years
 Continue fruit to yield;
 Its branches should reach out and grow
 Upon a larger field.

Our teachers, relatives and friends,
 Have us with faith imbued;
 Within our hearts, we have for them
 A store of gratitude.

We loathe to leave these sacred walls
 But duty says we must;
 We go to live a life to prove
 We're worthy of your trust.

We know not where our lots shall be,
 Nor what shall be the end;
 Why should we question, since we know
 That Jesus is our Friend.

May grace abound and love abide
 To keep us ever true;
 Let's have that Leadership divine
 As we our way pursue."

-----Class of '49.

JUNIORS

Junior Class News

The opening of school found the Junior Class working harder than in our Freshman and Sophomore years. We are happy to say that we were successful in giving the "Hit Parade of 1948", October 7, 1948.

Plummer Perry, Walter Ward, Johnnie Stallings, Arthur Alston, Jesse Davis, Bennie Evans, James Gill as players from the Junior Class.

We are looking forward to the happiest event of the year, the Junior and Senior Prom. We are sure to have a most successful one.

The students from the Junior Class participating in student activities are as follows:

Dorothy Wiggins
Lula Davis
Arnie Dunston
Irene Dunston
Joan Macon
Grace Gill

Bennie Evans
Ella Ward
Mattie Alston
Evelyn Taylor
Mary Wright
Irene Foster

Flonsie Leonard
Doris Alston

On September 12, 1948, a class of eighteen girls and twenty-five boys were enrolled in the Seventh Grade of the Franklin County Training School of Louisburg, North Carolina. The Seventh Grade Bee-Bop Club was organized September 17, 1949. The club elected class officers, motto, and class flower.

During the term we contributed to the various drives. Some members of the club realized some passing grades while others appeared on the Honor Roll.

The Bee-Bop Club plans to close the 1948-49 school year of work with no regrets and looks forward to 1949-50 for greater heights of attainment academically and socially.

Lois Clemants, Secretary.

ATHLETICS

F. C. T. S. FOOTBALL TEAM

Under the never stop and unpredictable leadership of headcoach, T. E. Conway, and linecoach, J. O. Waddy, the F. C. T. S. football Team was called together September 14, 1948, to start drilling for what turned out to be quite a successful season.

With the persistency and hardy cooperation of both coaches and the team, October 1, found us traveling to Henderson to play the powerful and high spirited Henderson Institute - eleven, a none conference game, which was lost by a margin of 7-0.

The following week of October 3, was a busy one for the team of F. C. T. S. With constant defensive and offensive drilling, on Friday October 8, we were on the road again going to Chapel Hill where we were defeated 30-0.

Something had to be done. The following week, we traveled to Nashville to play W. C. T. S., the "F. L. C. Champions of '47", our first conference game. With high spirit, a shifted line-up, and a stronger team, we defeated Nashville by a score of 13-6.

October 20, Henderson Institute team came to visit us. This time we had a little surprise for them. We held, charged, tackled, and kicked until even the spectators were punch drunk. We won the game 7-6, which left us first place in conference standings.

October 29, we had family trouble. The veterans of F. C. T. S., thought they had the better team, so giving them a chance to prove themselves, and eliminate the family feud, we defeated them 37-6.

November 12, we were the guest of W. C. T. S.,-eleven for our third conference game. The F. C. T. S., 30-0.

November 19, there they were, last but not least, our greatest rival, J. R. Hawkins High School of Warrenton. We were again the guest of a hard fighting team for a none conference game. We were defeated 13-0.

December 1, J. R. Hawkins came to us for our Home-Coming Game and the conference game to decide who would be the "Fall Line Conference Champions of 1948". Everybody is tense and quiet, the gun shoots, and the game is off to an exciting start with Louisburg kicking and Warrenton receiving. They're caught back on the 10-yard line where its first and ten to go for Hawkins, second and twelve, third and eight, punt formation, short kick and its F. C. T. S., ball and Hawkins' thirty-yard line, and they never regained consciousness until the game is ended. Franklin County Training School wins 13-0, and are now the "Fall Line Conference Champions of '48".

The New Gymnasium

The gymnasium now being erected on the school grounds is a by-product of the Veteran Trade Class in this school. A large number of men, Veterans of World War II., came to the school in the Summer of 1947, and sought permission to be enrolled in a Bricklaying Class under the "G. I. Bill of Rights".

A request from this school to the Veterans Administration for permission to begin such course was approved by the Veterans Administration and the State Department of Public Instruction.

The Veterans Administration pays to the school a certain sum of money for each man enrolled in the classes as tuition. This money is used to purchase material, and pay salaries of the instructors, and the men are being taught the Bricklaying and Building Trades as they erect the gymnasium.

When it is completed, the gymnasium is planned to be modern in every respect, there will be six classrooms in the basement, showers, lockers, and a furnace room.

ACTIVITIES

THE CROWN AND SCEPTER CLUB

The honorary society of Franklin County Training School, namely, "The Crown and Scepter Club," began its successful year of 1948-49 on September 13. This year has proved to be both inspiring and enjoyable. Our officers have responded to their various duties promptly. We have completed several assignments. Each year we accept various responsibilities. Some of our major projects are:

1. To assist the Student Council in helping our students to be ladies and gentlemen.
2. To render chapel programs.
3. To attend our Annual Meeting held at St. Augustine College.
4. To encourage the students to the largest extent to join the honorary society.

The Crown and Scepter Club of our school has a membership of sixteen. Our officers are as follows:

President.....Margaret Williams.
 Vice President.....Ella Ward.
 Secretary.....Grace Gill.
 Sponsor.....Miss L. Hill.

STUDENT COUNCIL

On November 10, 1948 representatives elected by the various classes of the Franklin County Training School organized the Student Council. The following officers were elected:

President.....James Greene

Vice President.....Dennie Evans

Secretaries.....Janet Hill and Annie Manley

Ass't Secretary.....Inez Wilkins.

Advisers: Miss M. L. Hill Mr. T. E. Conway Mr. S. M. Ruffin Miss L. S. Bradshaw.

*Mr. J. M. Ridley - Excused from Student Council in order to give more time to the members of the Choral Club.

Our student council was instituted to give students voice as well as added responsibility in student affairs; to cooperate with the faculty in promoting better citizenship by fostering scholarship, high ideals and school spirit; to serve as a clearing house for information, ideas and suggestions concerning student activities; to try students for all kinds of misdemeanors; and with the approval of the administration, decide on punishments appropriate for offences.

Although we have not accomplished all that we would like to have done, we can see that some improvement has been made around F. C. T. S. We would like to thank the student body for the wonderful cooperation given us in trying to make our school a bigger and better one. We want to thank our student council advisers, Miss L. S. Bradshaw, Miss M. L. Hill, Mr. T. E. Conway and Mr. S. M. Ruffin for their guidance, assistance and advice in trying to make us conscious of the importance of good citizenship.

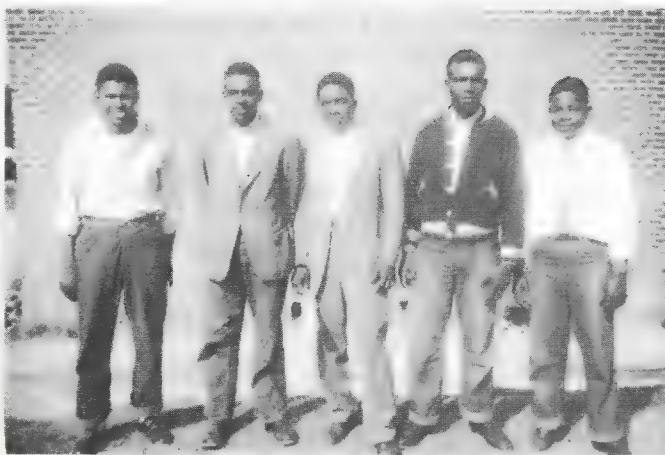

- - - - Grace E. Gill, Reporter.

With the sufficient assistance of our instructor, Mr. J. M. Ridley, our club has had a most successful year. Each of our performances were recommended very highly. Our first public appearance for the year was "Christmas Carols" in our school auditorium. The next appearance was in the Easter Program at the First Baptist Church, Louisburg.

The most outstanding incident of our choral year was the "Spring Festival". We won first place in everything, with compliments.

Louisburg Chapter

Local Officers

THE NEW FARMERS OF AMERICA

THE LOUISBURG CHAPTER OF THE NEW FARMERS OF AMERICA was organized in January, 1948 under the leadership of Mr. J. W. Warren Jr. It has received the wholehearted support of the students of vocational agriculture and to-day it takes its place among the other worthy student organizations on the campus. The New Farmers of America is a national organization of Negro farm boys who are studying vocational agriculture in states where separate schools are maintained. It is an educational, non-profit, non-political farm youth organization of voluntary membership, designed to develop agricultural leadership, character, thrift, scholarship, cooperation, citizenship and patriotism. Its members learn through participating experiences how to conduct and take part in public meetings, to speak in public and to assume civic responsibility. N. F. A., is organized on a national, state and local basis. The officers of the Louisburg Chapter are:

<u>Bennie Evans</u> , President	<u>Claude Dunston</u> , Secretary
<u>King Webb</u> , Vice Pres.	<u>Warren Massenburg</u> , Reporter
<u>Levi Branch</u> , Treasurer	<u>S. M. Ruffin</u> , Advisor

All of the members of the Louisburg Chapter are working toward the development of their individual farming programs. One of the requirements for membership is that each boy has a satisfactory plan for his supervised farming program, and to advance in degree of membership he must keep accurate records of his projects. The active members completed the following productive enterprises in 1948.

<u>Acres or Head</u>	<u>Crop or Livestock</u>	<u>Production</u>
8.6	Tobacco	11.917 lbs.
13	Hybrid Corn	1024.5 bus.
9	Cotton	4345 lbs. lint
1	Dairy Bull	800 lbs.
1	Brood Sow	200 lbs.
6	Feeder Pigs	2130 lbs.
300	Chickens	900 lbs.

In addition to the individual projects the members participated in many cooperative activities which included castrating chickens, castrating hogs, pruning and spraying fruit trees and renovating permanent pastures by approved methods. These endeavors were undertaken to learn cooperation and to provide practice in doing some supplementary farm jobs. One of the favorite cooperative efforts of the students is the raising of the registered Guernsey bull calf they acquired from the Wakefield Farm. This calf will be shown in dairy shows in Rocky Mount and Durham prior to his use in raising the standard of the milking animals of Franklin County.

The N. F. A., members are participating in many competitive activities which aid in accomplishing the purposes of the organization. Some of these are public speaking, quartet singing, quizzes on N. F. A. and parliamentary procedure, officers' ability tests, checkers, horse-shoe pitching, darts and numerous contests for outstanding farming accomplishments. The chapter will also sponsor a baseball team to help to provide and encourage the development of rural recreational activities, another objective of the New Farmers of America.
